Introduction and Criticism of the Resources of the History of Ashura

Written by: Sayid Abdullah Husseini

Illustrated by: -

Publisher: Islamic Sciences and Culture Academy

Category: Religion

Publish Date: 2007

363 Pages

Dimension: 213x143

ISBN: 978-964-2636-49-5

Book About:

The events of Ashura have been considered in various ways during the history of Islam and have led to questions that one of the most fundamental of them is the amount of coherence and historical data of the event. The present study, by criticizing and reviewing the related sources, sought to answer it and tried to find a way forward for researchers and researchers in Ashura.

The Sociological study of the relationship between Shiite Islam and democracy

Written by: Mohammad Masoud Saeedi

Illustrated by: -

Publisher: Islamic Sciences and Culture Academy

Category: Academic

Publish Date: 2016

695 Pages

Dimension: 245x175

ISBN: 978-600-195-278-4

Book About:

What factors from the sociological point of view in the first half of the 20th century led to the transition of any unfinished democracy to Iran? How did the religious elites affect the evolution of the modern world? What are the proper and inappropriate positions of the clergy in relation to the transition process and their positive and negative influences in this process? In this book, in order to find sociological answers to the above questions, three transitional movements in the three historical periods have been compared with the methods in the historical sociology.
