Book About:

This book is a meticulous presentation, analysis and survey of the noble Iranian art of Gol-o-Morgh painting. This book is the outcome of twenty years of Jahangir Shahdadi's theoretical and practical research and hardwork towards re-establishing the standards of aesthetics and value of this national art. This book examines the characteristics of Iranian painting, the role of Imagination and visualisation, the creation of works that simultaneously show the viewpoints of Iranian artist and the cultural continuum. With some hundred colour and black & white images of fine Iranian paintings, this book has become a reputable and authoritative reference book.
